Tuesday - 28 March 1961

25X1 1. [] Talked with Jim Hyde, Bureau of the Budget, advising him on S. 622, the Freedom Academy Bill. Essentially, we are taking a neutral position but we are discussing the pros and cons. 25X1 25X1A 3. [] Telephoned Representative Clement J. Zablocki (D., Wis.) concerning his trip to [] and inquiring if we could be of any assistance. Zablocki also indicated that he had assumed this arrangement was an official one and that he would have been seeing me with the group tomorrow. I asked him the name of the individual he had and he gave me the name of [] I said I would check the matter and Mr. Zablocki requested that I return the call today. 25X1A
